

United Way of
Paducah-McCracken County

A little goes a long
way when we...

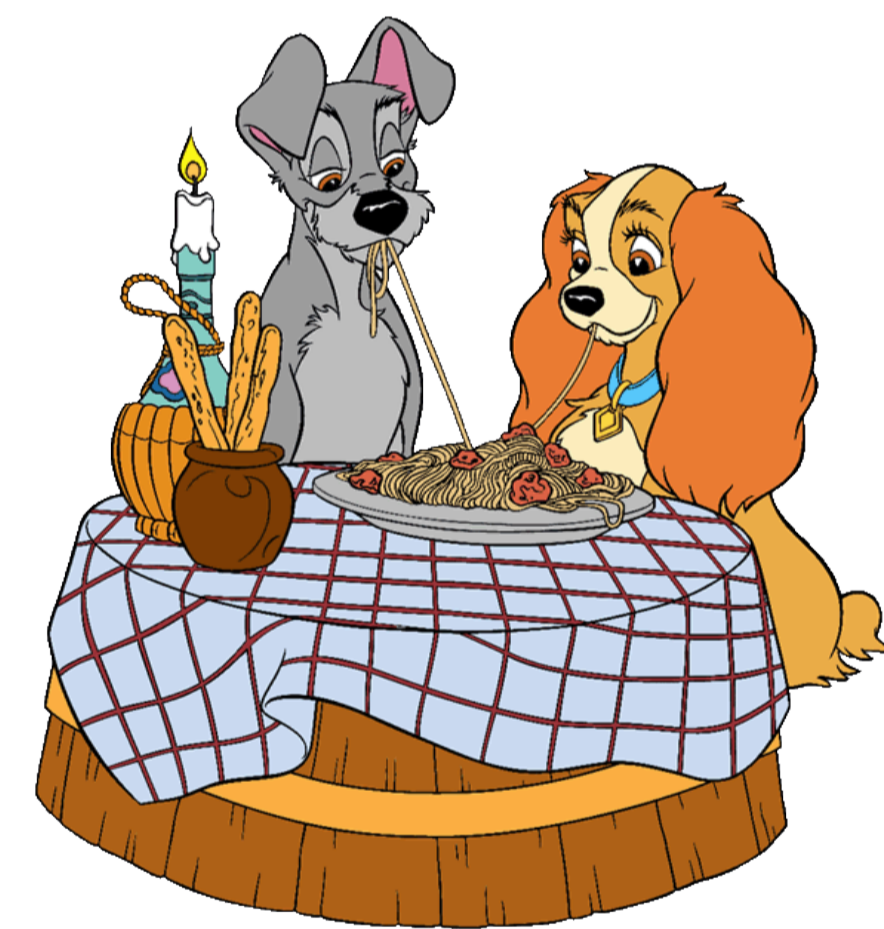

For the price of chips and a soda purchased from a vending machine, you could help a United Way partner agency in providing:

- A. Two small toiletry items to a homeless shelter
- B. A child with a 5-star quality daycare for a day
- C. A student with one school lunch
- D. Shelter for a victim of domestic violence

For the cost of dinner for two, a United Way partner agency could:

- A. Provide a child with a winter coat
- B. Provide a pair of shoes
- C. Provide a household with two days of energy assistance
- D. Provide a family with groceries for 7-10 days

For the price of one tank of gas, a United Way partner agency could help:

- A. Provide mental health services to children who have been abused
- B. Provide social services to lower income families
- C. Deliver a hot meal to a homebound senior citizen for a week
- D. All the above
